STATEMENT OF COOPERATION

STUDENT NAME (Print): _____ GRADE: _____

We at Creekside Christian Academy believe in the importance of keeping the lines of communication open between the school and parents. This handbook is our first and foremost means of communication. The information it contains is essential to your understanding of Creekside's values, practices and policies. It is our prayer that you will ***partner*** with us, in keeping the lines of communication open and promoting the values of Creekside Christian Academy.

The handbook explains policies and life at Creekside Christian Academy. CCA is not just a school with a set of policies. It is a Christ-centered environment with an emphasis on spiritual growth and maturity! In an effort to maintain that environment, policies and regulations are necessary for order and learning. Realizing you may not agree with every policy, we expect that you will ***respect and respond*** properly to the authority of CCA. We trust that these guidelines will help maintain a positive and God-honoring environment for you and your student.

Lastly, it is very important to us that all of our students and parents ***understand*** the guidelines that have been established for CCA. Therefore, we request that after you have read the handbook AND Statements of Faith with your child(ren), you and your child(ren) sign this sheet and have them return it to his/her teacher immediately.

- I have received and completely read the Creekside Christian Academy Student Handbook and Statements of Faith. In doing so I agree to abide by its guidelines.

- I have reviewed the handbook with my children(s) and ensure full compliance and responsibility for his/her actions.
- I have watched and understand the orientation video that outlines campus operations.
- I further understand that the CCA School board and Administration of Creekside Christian Academy reserve the right to amend, alter, add, or delete information from the Handbook at any time as deemed necessary.
- I, as a parent, also understand the importance of keeping the integrity of CCA, and therefore, agree to not purchase a test and/or quiz booklet associated with the curriculum at CCA
